

SEND Provision at Laughton Junior and Infant School

Respect Reflect Resilience

OFSTED said:

Leaders have high expectations for all pupils to achieve, including pupils with special educational needs and/or disabilities (SEND) and disadvantaged pupils.

Leaders ensure that pupils with SEND access the same curriculum as other pupils. They identify any pupils who may benefit from additional support. Teachers and external specialists provide carefully matched activities to support pupils with SEND effectively. The curriculum is skilfully adapted to meet the pupils' needs.

School Staff Training

Recent training:

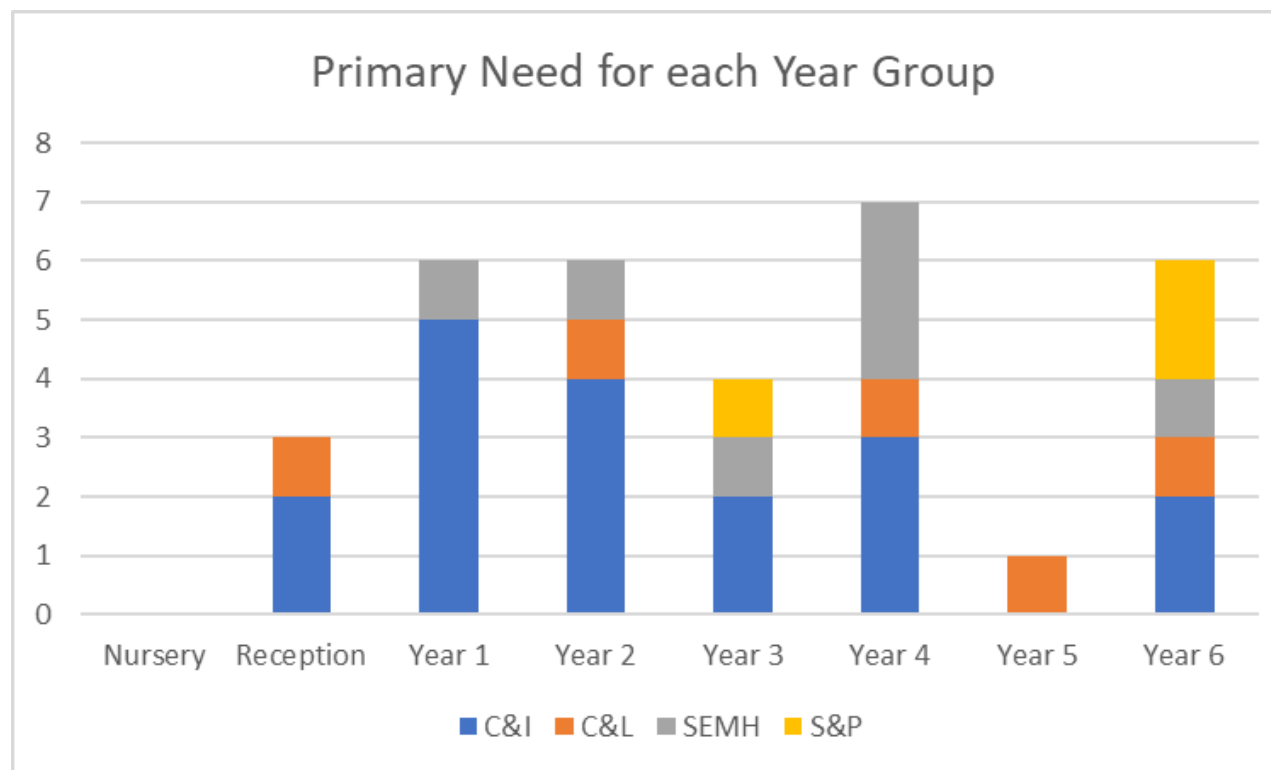

- Team Teach
- Dyslexia
- Clicker
- Loss and Grief

Upcoming training:

- In class TA training
- Trauma Informed Practice

School Staff Expertise

- Relationship and behaviour policy build on regulation and restorative practice.
- Strong working relationships with external professionals.
- Educational Psychologist supports staff in day-to-day teaching.
- Emotional wellbeing at the heart of all provision.
- Team Teach trained staff.
- Intervention Support Assistant delivering ELSA and LEGO Therapy

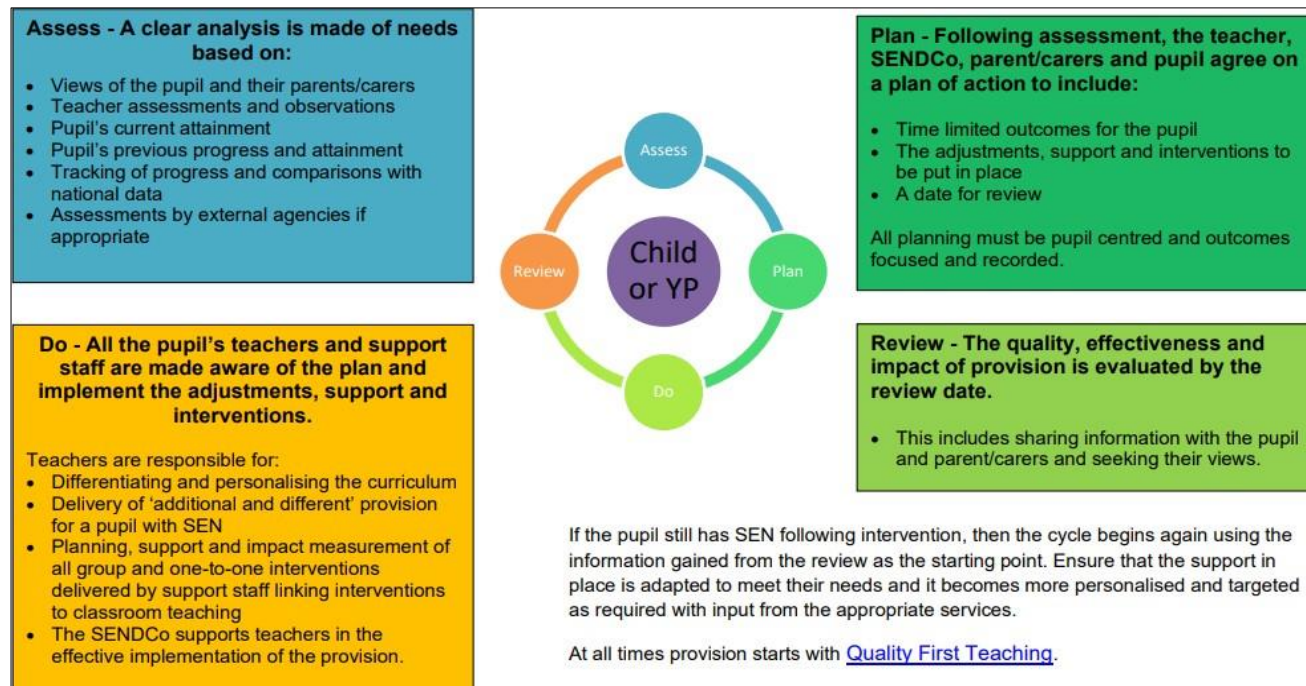

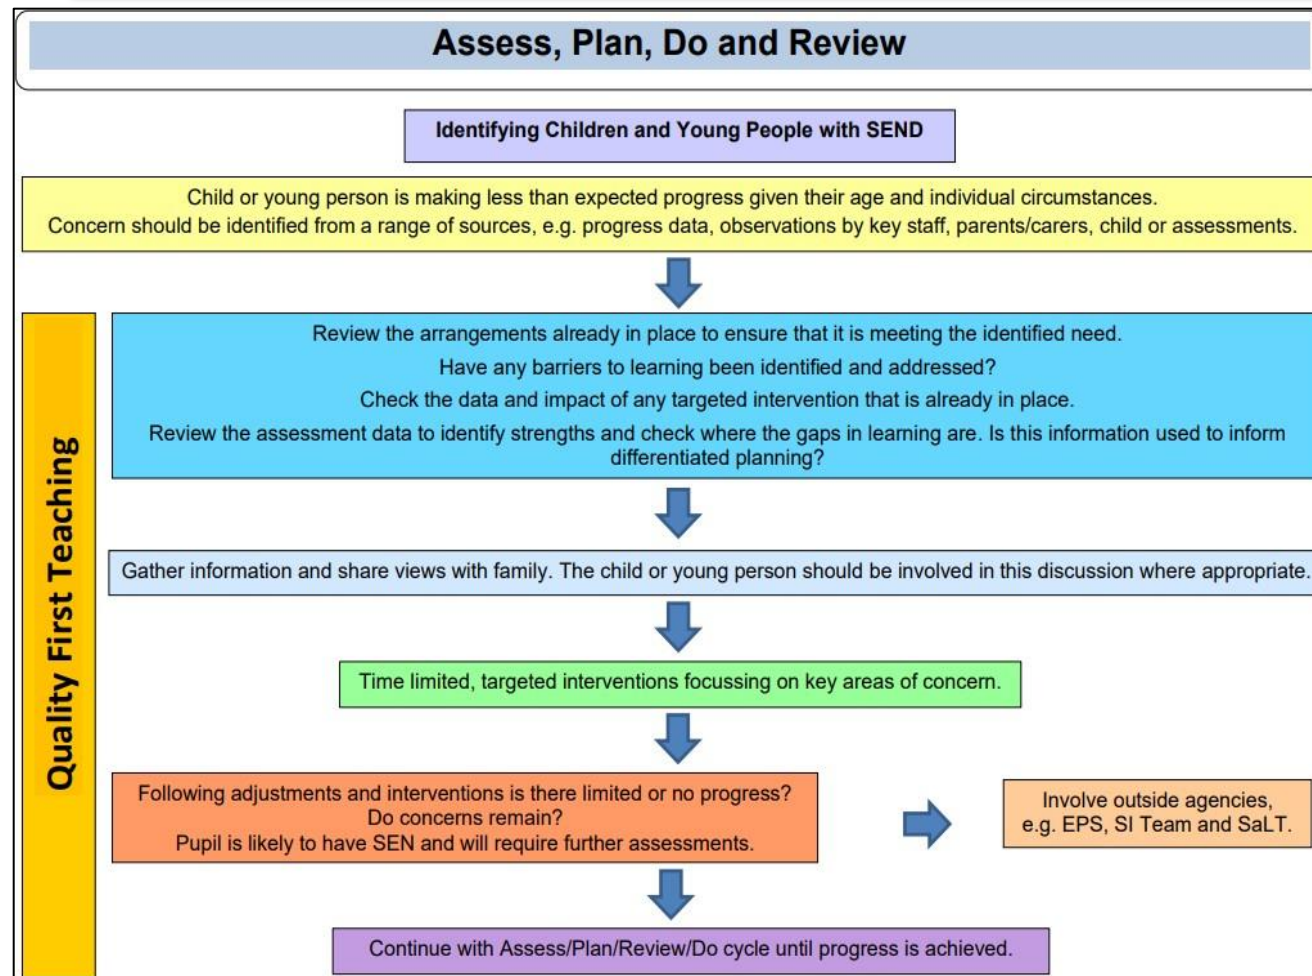

Our School

Laughton Junior and Infant school has 16.5% level of SEND compared to 18.4% nationally. We have 5 children with EHCPs in school, which is below the national average.

Over the last 2 years we have seen a higher proportion of pupils on the SEND register with identified needs around communication & interaction and SEMH, which has led to us seeking more regular external specialist support. This helps us to manage provision for these needs well.

16% of our pupils are registered as Pupil Premium, compared to the national average of 24.6%. However, while there is a lot of affluence in the immediate area, there are also pockets of more deprived areas in the village and surrounding areas.

Intent: We want them to develop key life skills in order for them to be able to face the realities of the world we live in and we want each and every child to reach their full potential whilst having an enjoyable and memorable time at school. We aim to develop the children's **resilience** and encourage them to ask questions, solve problems and **reflect** on their learning. We want to develop inquisitive minds and promote a deeper philosophical level of thinking where everyone's views are listened to and valued. Our links with the local community are strong and the positive partnership developed between home and school enables our children to thrive in all areas whilst valuing diversity and promoting mutual **respect** for each other. We understand the importance of positive mental health and the need for children to feel happy, safe and secure if they are to grow into confident individuals. As a result of this we work closely with the children, families and outside agencies in order to support in this area.

Implementation: School Steps to Success

Provision	Communication and Interaction	Cognition and Learning	Social, Emotional and Mental Health	Sensory and Physical
Universal	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention.	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention	Quality First Teaching Meeting with parents Communication in Print Clicker Same-day intervention
Targeted	As above and also: Regular meetings with parents SALT programmes Teacher-devised specific interventions. Specific support for language and communication difficulties. Early Help if applicable.	As above and also: Regular meetings with parents Teacher-devised specific interventions. Published support programmes. Early Help if applicable. ELSA) Early Help if applicable.	As above and also: Regular meetings with parents Teacher-devised specific interventions OT devised programmes. Early Help if applicable.
Specialist	As above and also: Fusion LSS Autism SALT support EPS	As above and also Fusion LSS EPS	As above and also: Behaviour Support e.g. Aspire Outreach EPS Bereavement support	As above and also: Occupational Therapy Hearing and Visual Impairment Team

Impact: As a result:

- Children feel happy, safe and respected.
- Behaviour is good and children understand the school values and rules.
- Children demonstrate high levels of engagement and there is a 'scaffold up' approach to learning which supports children with SEND.
- We have supportive and trained staff who plan appropriately for the children's individual needs.
- Children with SEND make good progress from their starting points due to Quality First Teaching and to the use of resources and bespoke small group intervention which meet the needs of the pupils.
- On leaving our school children, with SEND have developed good independence and life skills.
- Children are supported to make secure transitions between classes and educational providers e.g. EYFS or High School.
